Continuation of Substance of Interview including description of the general nature of what was discussed: In the amendment for Application No. 10/084,405 (After Final), the applicant amended independent claim 1 to include limitations of dependent claims 3-5 and amended independent claim 9 to include limitations of dependent claims 11-13.. However, claims 3-5 and 11-12 were not cancelled from the list of pending claims. Similarly, new claim 20 includes limitations of its dependent claims 22-23.

The examiner recommends canceling of dependent claims 3-4, 11-12, and 22-23 so the application would be in allowable condition. The applicant agrees and approves Examiner's Amendment..
